### Note:

- **Maximum amount ReAssure+ pays for any single claim is up to Base Sum Insured.**
- We will consider a claim, if it is paid under the following: **Expenses in reaching a Hospital, Expenses during Hospitalization, Expenses before and after hospitalization, Home Care / Domiciliary Treatment, Organ Donor.**

4.7.2. **Lock the Clock:** Your age is locked at entry when you buy the policy, till a claim is paid.

E.g. if you buy the policy at 25 years, you will keep paying the premium applicable for a 25 year old at each renewal, till a claim is paid in the policy. Post the claim is paid, the premium charged will be as per your current age and will continue to change as per the age slabs at each renewal.

#### Note:

- In case of multi tenure policies, the premium for the entire tenure will be charged as per the entry age. No additional premium will be charged in the middle of the tenure in case of claims. At the time of renewal (in case of a claim), the premium will be charged as per the current age of the consumer at renewal.
- If you add a member to the floater plan, then the premiums will be charged as per the entry age of the eldest member and will lock the premium at that age, till a claim is paid.
- If you add a member to an individual plan and convert it into a Floater plan, then the premiums will be charged as per the entry age of the eldest member and will lock the premium at that age, till a claim is paid.
- If the eldest member is no longer part of the Floater plan, then the Floater premium will be calculated as per the original entry age of the eldest member in the policy amongst the remaining members and lock at that age, till a claim is paid.
- If a floater plan, splits into multiple policies, then we will carry forward the locked age at which the floater policies were taken by individuals (as per the claim history) in the policies carried forward, till a claim is paid.
- In a multi individual policy, the age will unlock only for the individuals who claim.
- In a floater policy, if a claim is paid for anyone in the plan then we will unlock the age for the entire policy.
- We will consider a claim, if a claim is paid under the following: **Expenses in reaching a Hospital, Expenses during Hospitalization, Expenses before and after hospitalization, Home Care / Domiciliary Treatment, Organ Donor**

### 4.8. ReAssureX

- We will consider a claim, if it is paid under the following: **Expenses in reaching a Hospital, Expenses during Hospitalization, Expenses before and after hospitalization, Home Care / Domiciliary Treatment, Organ Donor.**
- Expenses in reaching a Hospital and Expenses before and after hospitalization for the 1<sup>st</sup> ever hospitalization will be treated as the 1<sup>st</sup> claim itself.

### 4.9. Booster+

Don't lose what you don't use.

Unutilized Base Sum Insured carries forward. Maximum it will accumulate up to 3/5/10 times (based on the plan you have chosen) of the Base Sum Insured.

**Example:** If you have chosen Base Sum Insured of INR 10 lakh and Titanium+ Variant, then at the end of 10 years (if you have made no claims in these years) you will have

**1.10 Crore Sum Insured (that is 10 Lakh base + 1 Crore Booster+). Don't forget that you would have the Safeguard / Safeguard+ (this is a great benefit. You must choose it) and ReAssure "Forever" (in case of claim) over and above the 1.10 Crore.**

**That's 11 times of Sum Insured than what you paid for.**

#### Note:

- If you convert an Individual Sum Insured policy in any manner, into a floater plan, then the least of the Booster+ Sum Insured of individual insured members will be carried forward to the floater plan.
- If a floater plan, splits into multiple policies, then the Booster+ Sum Insured of floater plan will be carried forward to the split policies, provided the Base Sum Insured is not reduced.
- If you reduce the Base Sum Insured, Booster+ Sum Insured will be proportionately reduced. Let's say if you reduce the current INR 10 lakh Sum Insured to INR 5 lakh, your Booster+ Sum Insured will be halved.
- You can and should regularly increase Sum Insured of your Health insurance policy. Medical inflation is a reality and current Sum Insured will fall short in future for advanced treatments. When you enhance your Sum Insured, the accumulated Booster+ Sum Insured will continue and grow even more (remember Booster+ is up to maximum 3/5/10 times (based on the plan you have chosen) of the Base Sum Insured. Higher the Base Sum insured higher the Booster+ Sum Insured ☺).

# ReAssure 2.0 Proposal Form

URN: 023

Insurance contract is a legal contract too and it's based on TRUST and We TRUST You.

We understand you may not know how relevant is the information on your health and its impact on your policy. Hence, it is very important that you disclose all health information and we would decide how relevant it is (we call it 'material fact').

We would cancel your policy, will not pay any claim, will not refund any premium paid and have right to take all possible legal action against you including for recovery of benefits paid earlier, if correct and complete information is not provided about all members proposed to be insured.

Regulations mandate that the coverage can start only after we have received the full premium and have explicitly accepted the risk.
